

LADIES' APPRECIATION LUNCH

Unless I miscounted, 25 people (and six Model A's) showed up for our "Ladies' Appreciation Lunch" on Saturday, May 16th at the home of Bill and Nancy Wittner. A very special thanks to Bill and Nancy for inviting us—hopefully, they won't have to move out after having the "mob" in for a day.

Although we were threatened with rain, which was probably the reason for the small number of Model A's on this outing, it turned out that it was only a threat and we had a cool, pleasant day. There was lots of good food, which the men were happy to personally serve to their ladies, and lots of good conversation. The ladies enjoyed Nancy and Bill's beautiful gardens and some of them even managed to go home with a sample of one of the more unusual plants to add to their own yards.

Other than serving up their own desserts (I guess we were a little slow getting finished eating ourselves), I don't believe the ladies had to lift a finger. We hope the ladies enjoyed their day, which was just a little payback for all the nice things they do for the men in the Club on a regular basis.

Thanks to Bill W. for cooking the hamburgers and sausages, and thanks to all the men for bringing the trimmings and desserts.
