

Autumn Trails – Winnsboro

26-28 October

The end of October saw a good turn-out from CCMAFC for the Autumn Trails gathering in Winnsboro. We had 18 members, 20 counting the Piranio's. Friday evening was spent at the Willis' farm where we all enjoyed the bowls of chicken or beef stew and the many styles of cornbread. Seems that everyone brought some sort of delicious

dessert as well! Friday was cold and overcast, the first day after the recent cold front came through the previous night.

Saturday was bright and sunshine, but still quite cold. Everybody bundled up and we had a fine parade and car show in downtown Winnsboro, followed by the car games.

In the evening we all gathered for the barbeque banquet. Always a lot of fun!

Sunday was the tour through the woods and hills of northeast Texas. Another beautiful day that started out cold (again!). Note the brand new McDonald's! Winnsboro is going big-time!
