

## Poor Boy Tour - 2013

Poor Boy Tour started fifty years ago when some Model A folks decided to get together and have some fun over the weekend. It is the most reasonable tour you will ever attend, hence its name because of the timing around April 15. Years ago, the first meal was soup or beans and cornbread. The cost per person was about \$5 and included a Friday and Saturday evening meal. CCMAFC members who are also Houston Model A club members participate in Poor Boy Tour every year.

The 2013 PBT was in Giddings. Walt, Virginia, Harris, Ola, Shorty, Bill and Sue attended this year. Bob Beck was having some medical issues and so he and GiGi had to sadly cancel their trip.

We had a great time as always...seeing our old friends, meeting new ones and fun touring the countryside. This years tour took us to several small towns around Giddings. One pit stop was an old train depot station. The banquets are always a good time of visiting. The evening meals this year included roast beef with all the trimmings and barbeque, along with our traditional Saturday "sack" lunch. There were about 100 Model A's and more than 200 folks in attendance. At PBT you will see all the 1928-1931 A's in a variety of colors.....some perfect show cars others still under construction.

Plan now to join us in 2014 for a fun weekend.

Sue Capps
