

## April, 2013 Wednesday Tuesday Breakfast and Bluebonnet Tour

April 23 saw the club meet at the DQ in Seven Points for breakfast. Shirley and her folks did yeoman's job of serving up breakfast for 20 or so of us that descended on them. As usual, all enjoyed the food and the fellowship.

Following the F&F (Food and Fellowship), Billy and Lou Carpenter led the

club on a most enjoyable tours to view the Bluebonnets. The tour was on many of the small county roads that comprise the Ennis Bluebonnet

Tour and it was spectacular. At noon, we gathered in a local Ennis Mexican restaurant for more F&F (of course!). After, many drove more while several headed on home.
