## President's Message

Wow, it seems like a long time since our last meeting on June 30<sup>th</sup> at Mary and Bob's double dip party. That was one nice party, right? We had some light showers, some clouds overhead, and a light breeze, along with some delicious ice cream, cakes and cookies to eat. What more could one ask for?

A small group of us toured the Pearce Collections and Civil war Museum at Navarro College in Corsicana on July 27<sup>th</sup> (see the web site for more information on this tour). Unfortunately, or maybe fortunately when considering the number of 100+ degree days we have suffered through this month, this was the only outing we had in July. Let's do better for August if it is nothing more than a breakfast at one for the local restaurants. I expect August will be hot days and warm nights, but we should be able to squeeze something in early one morning.

I'm asking everyone to come to the August Meeting with some ideas for a tour they would like to have the Club take.

Speaking of tours, Bill Wittner is, or soon will be, putting together an overnight tour to Jefferson that he has wanted the Club to take for some time now. I am putting time on the August agenda for Bill to speak to us about this trip. I believe, but don't quote me, that he is planning a two day/one night trip.

The lack of activities this month leaves me with little to write about, so I will sign off here until next time.

See you at the Seven Points Dairy Queen on August 4<sup>th</sup> at 5:30 PM.

Don
