Editor's Note

The early date for the July meeting caught this editor napping. The newsletter will be late getting out and it is unlikely that those who receive it via snail mail will see it before Wednesday, June 27. If you know someone that doesn't "do" e-mail, please give them a call and remind them of the meeting and Ice Cream Social next Wednesday. Map to Bob and Gigi's is on the back page.

Happy Birthday

Sunshine Report – Sue Capps

It was sad for us to see Bob and Mary Harris leave, but they are moving into the next phase of their lives and we wish them well. Happy Trails!

Congratulations to Harold Hemphill on his retirement from the Eustace bus barn.

Our needs seem really great this month.....

Bill and Nancy Wittner--Bill has been in the hospital.

Shorty Johnson -- getting stronger every day.

Edie Powell has been having some tests..

O. V. Cliver is having some tests also.

John and Teena Shore have gone to Indianapolis due to the death of Teena's sister.

Correy Hemphill, Harold's son has MS which seems to be progressing--hence the need for a change of medications which is very costly and not covered by insurance.

Roberto Loar's mother is on the transplant list.

We have been missing Charles and Janelle Seabourne-- they are taking care of Janelle's aging aunt.

Ruth Dawson (Ann Cooper's mother) has fallen and has a skull fracture.

Carmichael Watkins-- the death of his wife three weeks ago.
