President's Message

President's Message

Hello Members:

I have been told we closed out the old year with the largest gathering in our club history, a total of thirty six members attended. The food was good, we owe Jodie a big thank you for arranging the dinner and menu, and the extra effort put forth by her sister and staff.

The fellowship was great, seems that everyone enjoyed themselves. It was good to see Edith Powell among us once again.

We ALL owe Walt a BIG THANK YOU for his service as President the last three years, he has covered nearly all the bases by himself, outings, tours, tech sessions and all. THANK YOU, Walt, for your service to our club.

Now, I am not a Walt! I'm going to

need your help this year, so roll up your sleeves and volunteer to make this a good and enjoyable year for our club, you all have a talent and skills that can be of great help to your fellow members.

Just a reminder, your dues are DUE now for 2013, if you have not paid them, Gigi is ready to take your money.

Ola, Gigi and I are looking forward to having the support of all of you to make our club one of which all will enjoy.

Thanks

Bob

How old would you be if you didn't know how old you are?

Funny, I don't remember being absent-minded.

Funny, I don't remember being absent-minded.

The only difference between a rut and a grave is the depth.

These days I spend a lot of time thinking about the hereafter....

I go somewhere and then I wonder what am I hereafter?

The only time the world beats a path to your door is when you're in the bathroom.

If God wanted me to touch my toes, he'd have put them on my knees.

Funny, I don't remember being absent-minded.

Have I posted this before?

Sue Capps

Wanda Bell got great news! She does not have to have the radiation treatments...so that means NO stay in Houston!!! yeah! great news and an answer to our prayers!!!

Mary Worman Harris has had a malignant area removed from the calf of her leg The oncologist has confirmed that all the cancer was removed in the surgery.. So she will need no further treatment for that.. She is having an MRI to make sure nothing else is going on any where else. Please keep her and Bob in your thoughts and prayers.

The biopsy on O V Cliver's temple came back positive for cancer..He had surgery and is now home.

Dennis and Della Powell have been sick with flu like symptoms and now Dennis has pneumonia!

I started out with nothing and I still have most of it.

I finally got my head together and now my body is falling apart.

Annual Christmas Party

December 1, 2012

Our annual Christmas Party was held on Saturday, December 1 at the Tool Community Center. What a great time. Nancy Wittner brought barbeque and the club members the many other dishes that made eating too much far too easy! I don't know who brings what, but the sweet potato s and the chocolate pie were my favorites! And then the fun of the White Elephant gift exchange!

Thanks to Ed Cliver for the pictures since the newsletter editor forgot his camera! (BOO! HISS!)

Wednesday Breakfast

(That wasn't really breakfast although it WAS on Wednesday. And it really was:)

10 Year Anniversary Dinner

The club joined in fellowship on Wednesday, December 19, to celebrate the 10 year anniversary of the club's founding. We met at the The Kitchen Table in Eustace where Jodi Letchworth and her sister prepared a fine catered dinner of chicken-fried steak or chicken, plus all the trimmings. There were 36 club members there, making this one of the largest club gatherings to-date.
