President's Message

President's Message

Hello Members:

Another meeting time will be here next Tuesday and there is a possibility I may miss it as I did the Tuesday morning breakfast at the Dairy Queen and the Poor Boy Tour. I have a Doctor's appointment late Tuesday afternoon so Ola may have to take over.

Heard the Tuesday breakfast had a good turnout once again and the Poor Boy Tour went well.

Hope everyone is thinking about a design for the 2013 International Model A Day patch. We need to get his going so we can get the final design submitted to the 'patch company'.

Your ideas for games and other activities are also much needed There is a lot of coordination required from here until September. Also the tech session at the Mabank High School is coming up and we need to start planning for that.

A busy schedule for the next few months, nice to be busy and have fun at the same time.

Hope to see you Tuesday at 5:30 at the Dairy Queen.....

Bob

Minutes for March 5, 2013

President Bob Beck called the meeting to order at 5:30 PM and welcomed everyone. He then led the group in the Pledge of Allegiance.

Bob asked if there were any changes needed to the January Minutes. There were none. Chuck Sportsman made the motion to accept with a second from O.V. Cliver.

Gigi Henderson read the treasurer's report.

SUNSHINE REPORT: Sue Capps related that Roberto Loar's Mother was back home and doing much better. We all need to remember Wanda Bell in our prayers.

We acknowledged Shorty Johnson, our only member present, as having a Birthday this month by singing our grand rendition of "Happy Birthday".

Remember to let Sue know if you will be attending his party on the 23rd.

The monthly morning breakfast will be held on March 19th. Plans were made to meet at the Dairy Queen in Seven Points at 8:00 AM.

Our patches for the Club Anniversary were distributed.

The announcement was made of the Pour Boy Tour held on 3/15 through the 17th in Giddings. If planning to go you must be a member of one of the sponsor clubs or you may be invited as a guest by one of their club members. Contact Walt or Sue to be a guest.

Sue Capps will be coordinating local tours and if you have any suggestions for one please let her know. Bill Lee is handling tour arrangements for the Battle Creek Tour to Chandler scheduled for April 30. Further information will be forthcoming. Lou and Billy Carpenter will be working on the Blue Bonnet tour in April, tentatively set for April 23, depending on the bluebonnets.

Remember the Founder's Day Parade in Emory will be held on May 4.

David Beck	04/15

Happy Birthday!

It's Membership Renewal Time!

From the Editor: I have to apologize for the lateness of this issue of the CCMAFC newsletter. I just returned late this afternoon (Sunday) from a long RV trip to Arizona. Enjoyed the sun, some model airplane flying, and a week with my brother-in-law from Denver attending several spring training baseball games of the Colorado Rockies (his home team). Time was short.

And also: there will not be snail-mailed copies since I did not have access to my printer while on the road. I ask that you contact those in the club who do not have e-mail:

Harris Lege, C.L. York, Paul Pirtle, Jim&Lois Estes, Yankee Smith,
David Beck, Shorty, Jim Harris, O.V. Cliver

Please let them know we will be having the club meeting on Tuesday and I will bring paper copies of the newsletter then.

Regards,

Bill

Poor Boy Tour - 2013

Poor Boy Tour started fifty years ago when some Model A folks decided to get together and have some fun over the weekend. It is the most reasonable tour you will ever attend, hence its name because of the timing around April 15. Years ago, the first meal was soup or beans and cornbread. The cost per person was about \$5 and included a Friday and Saturday evening meal. CCMAFC members who are also Houston Model A club members participate in Poor Boy Tour every year.

The 2013 PBT was in Giddings. Walt, Virginia, Harris, Ola, Shorty, Bill and Sue attended this year. Bob Beck was having some medical issues and so he and GiGi had to sadly cancel their trip.

We had a great time as always...seeing our old friends, meeting new ones and fun touring the countryside. This years tour took us to several small towns around Giddings. One pit stop was an old train depot station. The banquets are always a good time of visiting. The evening meals this year included roast beef with all the trimmings and barbeque, along with our traditional Saturday "sack" lunch. There were about 100 Model A's and more than 200 folks in attendance. At PBT you will see all the 1928-1931 A's in a variety of colors.....some perfect show cars others still under construction.

Plan now to join us in 2014 for a fun weekend.

Sue Capps

Sunshine Report

Sue Capps

The birthday party for Shorty Sat. March 23 went well...with over 60 guests attending. Thanks to you all for coming and making this day so special for him.

Danny Hempel had eye treatments.. he seems to be doing well now and pray that the treatments take care of the problem.

Bob Beck is doing much better. He was in the hospital for tests. Medication should fix his problem. Bill Capps test results were not real favorable from the cardiologist. Tests will be repeated in three months to see if some of his medications could be causing some problems

Keep Wanda Bell in your prayers also.
