## President's Message

May 31, 2016

Well May, 2016 has been a busy month as far as events, parades and a few medical appointments. Some of our club members have had medical issues. Some of our members have had auto problems and some have been out of town enjoying spring events.

Medical issues: Bob Letchworth had bypass surgery with a few problems of waking up. Jody and family was with him/by his side all the time. This was a serious concern until he woke-up to respond to his family and doctors. Club members were praying for him. Jody; I understand had an appointment to have back surgery at the time Bob was in the hospital, which she postponed. Shortly after Bob come home, Jody did have her back procedure and she told me she is doing well and feels great. Seems like Secretary; Sue Capps has been well and very active attending out of town events. Bill had to drive back home in a rain storm which made driving very difficult in seeing the road. He said he followed the tail lights of a truck in front of him. (Someone from above guided them home!)

Memorial Day Events: Walt and Jim Blakeney attended the Kerens Car Show. Walt won top prize with his coupe. Harris Lege and I attended the Ennis Polka Fest on Saturday, May 28<sup>th</sup>. This was the largest parade I have ever attended. People were standing 4-5 deep on the side of the parade route. The Dallas Model A Club had 3-cars entered in the parade. Harris & I joined them since our club did not have any entries submitted.

I understand that several of our members do not care to participate in the Ennis event because it is so large (???)! I would like to register for Ennis next year and I hope several members will join me to represent our club.

Monthly Breakfast: "Down Home" Café in Canton was a success event with 12 members attending! I hoped for more members to attend our next breakfast. A few of our club members gathered to have lunch at the Mabank, "Bean & Berger", last week to celebrate the 10 year anniversary of Jody & Bob Letchworth. We had good food & fellowship. Jody, we can do this again next year for 11 years of wedded bliss.

## Billy's Accident

On the way to the car show at the Mabank High, Billy had a most unfortunate accident. The front frame broke on the roadster and he couldn't drive forward. Since he could still drive backwards he decided to try to back home. He was doing OK until the rest of the frame broke. He lost all control, clipped the side of some guard rails and ran across the ditch until he collided with a tree.

Not visible because of the branches is a big tree right on the fence line.

Completely destroyed back fender.

## SUNSHINE REPORT

Bob Letchworth is steadily improving

Jody is doing very well..her surgery was successful

Harold Hemphill had surgery to help resolve a problem that has caused a continual bladder and UTI (urinary tract infection). Keep him and Tonnie in your prayers...

Harold and Tonnie Hemphill are grandparents...

Ever wonder???

1. If you take an Oriental person and spin him around several time, does he become disoriented?
2. If people from Poland are called Poles, why aren't people from Holland called Holes?
3. Do infants enjoy infancy as much as adults enjoy adultery?
4. If a pig loses its voice, is it disgrunted?
5. If love is blind, why is lingerie so popular?
6. Why is the man who invests your money called a broker?
7. When cheese gets its picture taken what does it say?
