## President's Message August 28, 2017

Another slow month, hot weather, not much activity to report on.

September 16 is INTERNATIONAL "Model A" Day. Drive and enjoy your "A".

Please remember in your prayers the South Texas Residents. Hurricane "Harvey" has devastated our state.

See you at our monthly meeting 5:00p.m., September 5th, DQ, 7-Points.

Gerald Phariss,  
President

Sue Capps will have the spot on her lung checked every 3 months.

### Thoughts

If money doesn't grow on trees then why do banks have branches?

Isn't it a bit unnerving that doctors call what they do "practice"?

Why does the Easter bunny carry eggs? Rabbits don't lay eggs.

On Gilligan's Island, how did Ginger have so many different outfits when they were only going on a 3 hour tour?

Whose cruel idea was it for the word 'Lisp' to have an 'S' in it?

How do they get the deer to cross at that yellow road sign?

Why are the little styrofoam pieces called peanuts?

Why are there interstate highways in Hawaii?

Why is the word 'abbreviation' so long?
