President's Message

Hello Members.

After receiving my Restorer Magazine this month (July) I can't help but repeat my self if you are not receiving this magazine you are missing out on a wealth of information. The two articles standing out were THE FIRESTORM and FRIENDS and HURRICANES GO TOGETHER. Here we get a little insight as to what is going in this country with our weather and our Model A families . Both articles are for real and show us what can happen and what is being done through the Model A family. Along with these two stories there are other good readings that make this a Great Magazine. If you are not a MAFCA member I encourage you to join now.

Our Fourth of July Parade at Enchanted Oaks was well represented with 6 Model A's, a great day for a parade.

Breakfast at the Terrell Cafe was great again with 10 members and 1 guest .

We now have some information on the Syrup Fest in newsthisletter and I will have a printed copy for everyone at our next meeting.

See you all there on August 7- 2018 at 5 pm.

Heritage Syrup Festival

The tradition of ribbon cane syrup making will be commemorated at the Annual Heritage Syrup Festival, always the second Saturday of November from 9:00 am to 5:00 pm. The highlight of the only folk life festival in East Texas is the syrup making demonstration on the Depot Museum grounds.

Experienced syrup makers operate the museum's antique mule powered equipment to produce old fashioned cane syrup.

While the syrup cooks, other folk artist demonstrate the techniques of lace making, rope making, basket making, blacksmithing, wood carving, quilting, and other old-time survival skills. Folk singers entertain, antique tractors whine, a petting zoo, and local civic organizations offer a varied selection of food and beverages.

From the museum, the festivities spread six blocks to Heritage Square, which is located in the Downtown National Register Historic District. Browse among the 150 handcrafted arts and crafts booths, sample East Texas cuisine and enjoy the musical entertainment on stage one. Enjoy Henderson's Civic Theatre performance of a melodrama at the Opera House.

A fun filled experience awaits you on stage two, where you will be entertained by cloggers and square dancers. Relive history while you visit the antique and classic car exhibit. The children's section provides activities which are sure to promise a fun filled day for the entire family.

Hay ride shuttles, sponsored by the Rusk County 4-H Club, provide rustic transportation between the Depot Museum and Downtown Heritage Square.

Tour details next page.
