

CEDAR CREEK

MODEL A

NEWS

Ola Powell, President (903) 451-5934

Bill and Sue Capps (903) 451-9651

- NEXT MEETING DATE: TUESDAY, April 1, 2003 at the Gun Barrel City Dairy Queen 5:00 P.M. Please plan on joining us and bring a friend. They do not have to own a Model A to be a part of our club.
-
- Ola has completed his project of putting in a 5-speed transmission in his coupe. He said it fit pretty well except he didn't like having to cut so much of the cross member off. If you haven't had a chance to drive it, make sure you do. This is the smoothest shifting one I have seen. I am looking for me one now.
-
- Pates swap meet is scheduled for April 24 thru 27 at the Texas Motor Speedway. Always a lot of good rusty Model A parts available there. Sue and I will be working there with the Houston Club. Stop by and see us if you can.
-
- The Powell's, Capps and Shorty are planning to travel to Seguin on April 4th to attend the Poor Boy Tour put on by the Alamo A's. This tour was setup originally by the Houston, Victoria, and Alamo Model A Clubs and is one of the better tours with usually around 100 Model A's. This is the good part of belonging to more than one Club. We get to meet a lot of Model A enthusiasts and have fun too.
-
- DRIVING TOURS... We need a good date from everyone for the driving tour and picnic to the Crossroads area. Ola has not been able to get in touch with the Blair's about the Wills Point Tour. It will probably take place in May.
-
- MAGNETIC DOOR SIGNS The signs have been ordered. The layout looked great. They will really show up nicely on the doors of our Model A's. They are \$40.00 a pair. We will have by the end of next week.
