- If anyone has any ideas that we can use to add some spice to our meetings, please call one of us and feel free to share it. We have some things in the works for the May meeting. Come out and see!!!!!!
- What would you like to see in the way of technical information added to our newsletters? Brakes, tires, horns, etc. Please let us know, we have some books to share info to you if it would benefit you.
- While we were in Hondo, Texas just past San Antonio, we visited the little airport there. They will be having an antique car show and FLY -IN on Saturday, May 3. Some of us are planning to attend. If you might be interested, we would be happy to tell you all about it. While we were there, at the Flightline Café chatting with the owner, Miss Hermason, we watched trainer pilots practicing Touch and Go landings. We hope to see some antique planes there also.
- The Powells, Capps and Shorty attended the Poor Boy Tour in Seguin. What fun we had! Many Model A's to see and friends to visit. The bluebonnets were out in great force and so beautiful. What gorgeous country! I wish you all could have enjoyed the weekend with us. 177 members attended and 83 Model A's, of all kinds and colors! Great driving tour and authentic poor boy's food.

- **DRIVING TOURS** The driving tour and picnic to the Crossroads area was great fun. Lots of good Model A roads and a great place to eat a picnic lunch. Hopefully, we will do it again real soon when more of you can join us.

- **MAGNETIC DOOR SIGNS** The signs are here! Many of us, who have already gotten ours are advertising around the lake as we drive around town. They really show up nicely on the doors of our Model A's. Thank you Bill!!!! You did a fine job! Everyone seems to be pleased and proudly displaying them.
