**next meeting: TUESDAY, Sept. 2 at the
GBC Dairy Queen** **Come on down. Bring a
friend... and eat with us!**

What a great meeting August 5! Ten members were present and THREE new members joined the club. We now have a total of 13 family members. Isn't that GREAT?? And we are not even one year old yet!! It is good to see those Model A's running around CC.

WELCOME: Bud and Patsy Ashton, Eddie Moseley, and Charles Seabourne. Happy Model A-ing with us. All of these folks have fine looking cars, and they drove them to the meeting. Bud and Patsy bought their 1930 Coupe from OV a couple months ago. Eddie bought his 1930 Model A a few weeks ago and Charles got his 1930 Coupe several weeks ago also. Did you notice that all were 1930 models? We have the rest of you other models outnumbered. Better get out and start rounding up some more models like yours!

Talked with Clark Clay who shall be known as CC to me ...because I always seem to change the correct order of his name (please forgive me) cannot make a mistake if you use only initials!!! He plans to join us at a club meeting in the near future and join the club also.

I also talked with Ron Trench. He lives in Malakoff and has a Model A pickup. He started out to the August meeting...but was misinformed as to the correct meeting time, and as a result, we passed him as we were returning home from the meeting. Hopefully, he can meet with us Sept 2 or at the August outing.

We had a great time at the parade in Seven Points on Saturday, August 9. It was cloudy and cooler than we had originally thought it would be and Cedar Creek Model A's had seven cars in the parade. ELVIS IS IN THE BELL'S PHAETON!. Wanda said Elvis sure looked thinner than normal! But I guess most ghosts do. The Ashtons drove their

coupe in the parade with us. Ola escorted Marge Puck, the GBC mayor. She is such a dear sweet lady and was just thrilled to ride in a Model A rumble seat. Shorty—how lucky can you get????? He got to escort the QUEEN... well the Kemp Homecoming Queen. She was young and very pretty and so appreciative of him letting her ride in his 1925 Model T touring car---Model T???? Isn't this a Model A club??? Sue drove her roadster as Michael Lowe, Mayor Pro Tem and parade organizer clung to the side and rode the running board---that was what he requested—mmm has he seen her driving and just wanted an easy out in case of cause for alarm??? Bill followed them in Shorty's blue coupe looking mighty good wearing his derby! Charlie Hill had so many cars in the parade ---he could not even drive them all. He enlisted the aid of a young couple to drive his beautiful green Model A for him, while we enjoyed seeing his 1961 black Cadillac and his Plymouth SuperBird. It was not easy to miss---the orange car with the big fin, it looked great. Reminded me of the Dukes of Hazzard TV show years ago with General Lee. And how about that great looking John Deere tractor—I just love those poppin johnnys. This was the first parade that Seven Points has ever had and it turned out great! And you represented our Cedar Creek Model A Club well! Sorry some of you had to missed it.

Model A Event Calendar

AUGUST OUTING Thursday, Aug. 21 WINGS 7:00 P.M.

The August outing will be a short drive to "WINGS" a newly opened eatery in Seven Points. You can get burgers, hot wings, salads or several other things. Those of you who would like, can meet us about 6:30 p.m. at the old Bud's parking lot on Highway 334 near Julio's Chicken and drive together. It should be cooler by then, but if you feel it is still too warm to "Model A- it" just get in the modern iron and come eat with us anyway.

Friday, Oct. 24-Sunday, Oct. 26 Autumn Trails Weekend in Winnsboro

Sat., October 25 Eustace Parade

Sat., Dec. 6 Gun Barrel City Christmas Parade

Sat., May 15, 2004 GBC Chamber of Commerce Car Show

Mr. Ollin Lewis---we have been missing you. Hope you are feeling better and can meet with us at "Wings". We sure hope to see you soon.

Until then-----Happy Trails to you wherever you choose to drive your "A"!

Remember our goal is to spread a little oil to all the back roads of Henderson county!!!!
