**Notice!!!!** Change in the meeting place

**TUESDAY, OCT. 7 at the Dairy  
Queen in Seven Points Come and eat with us.**

IN THE REARVIEW MIRROR.

If you were not at the September meeting ..... you are missing out !!! There were 11 members present and 5 Model A's. We met at the DQ in Seven Points and it was great! Nice, quiet, and no smoking in the Smoke Free room---just perfect for us who are allergic to smoke! Shirley and Danny are the new owners and they are wonderful!

WELCOME:

A big apology to Clark Clay (CC)! I talked with him and Ron Trench on the same day and managed to get them mixed up. Can you imagine that? CC, not Ron, was the one who started out to the August meeting... but thought the meeting time was 7:00 and missed us. CC and Judy met us at Wings and were at the John and Wanda Bells' wonderful Mexican Fiesta last week. If you missed that... you really missed it... we had the best Mexican food on the lake. Really and we did eat ON THE LAKE. It was such a wonderful, fun, full filling evening. All the way down to the margarita pie!!!

We had FUN at WINGS didn't we? Ola, Charles and Janelle, Eddie and Pat, Shorty, and Sue all drove their Model A's from the parking lot to Wings in Seven Points along with Paul and Linda where we met with John and Wanda, Bud and Patsy and CC (Clark Clay) and Judy. What a great time to drive together and visit. Can hardly wait for cooler weather so we can get out for long drives.

If you have something you would like to sell, or just tell everybody.....call me. We will get it in the newsletter for you!
