Next Meeting **TUESDAY, Nov 4, 2003** **at the**
DAIRY QUEEN SEVEN POINTS

FROM THE REARVIEW MIRROR.

Last meeting we had fourteen members, two guests and six Model "A"s present. What an impressive sight! We missed our President. Ola has been under the weather, but seems to be doing much better now. He is looking forward to Winnsboro though and hopes to see YOU there for a great turn out!! A first for the Cedar Creek Model A Club this year.

SOMETHING NEW

We have some very nice looking blue and white caps for all who would like to have one to wear and advertise for the club. It has the same decal as the cards Ola had made for us to pass out. He says he got a very good deal and you can have one for only \$5.00 AND THAT IS A BARGAIN. CALL SHORTY TO GET YOURS NOW. He will also have them at Winnsboro so we can all look real sharp!!!

Autumn Trails.. THIS WEEKEND OCTOBER 25 AND 26

We have quite a group going on Friday. On Friday night we go out to the John Willis homeplace for kettle stew. It is always a lot of fun to eat and visit with friends from other clubs and to see all the Model A's. Several of us will be camping at the park overnight Friday and Saturday where the swap meet is located. Charles and Eddie are planning to tow their Model A's over on Saturday morning. Clark plans to drive his Model A pickup on Saturday morning also for the big parade. Won't we look nice wearing our new caps for the first time as Cedar Creek Model A Ford Club!!!!
