Next Meeting TUESDAY, November 2 5:30 p.m.

DAIRY QUEEN SEVEN POINTS FREE ICE CREAM

You Are Invited! Gary Sims of the Dallas Model A Club has invited the men to attend a tech session at his garage. He has a 8000 square foot garage and they plan to put a running gear on a frame. FREE LUNCH will be provided. Mark your calendar for Saturday, November 6. Ola and Clark will be going. Gary would like to know how many to plan for lunch so please call Ola and let him know if you can attend. They plan to drive their Model A's. Directions are: 4 miles West of Minneola on FM 1799 (2.2 miles)

Happenings and "Going Ons" We really had a busy, but fun-filled past month. It is so much fun to belong to a club where folks are always ready to have a good time and enjoy driving their Model A's. We really got the word out. Our pictures were in two area papers.

On Wednesday, September 15, several of us drove to Oakwood Place in Athens. Six Model A's and members drove to spread a little cheer and reminisce about the ole days to celebrate National Assisted Home Care Week. We met Jim Blakely, who lives in Malakoff and drives a beautiful '29 Coupe, which he just purchased. Jim joined our club at Mom's Kitchen Sept 24th.

Speaking of Mom's Kitchen--what a great turnout for an evening event--25 members and guests. We are having a very positive response to these evening events. If you have a favorite place, please tell Wanda Bell.

Eight members drove Model A's (one drove a Model T) to Malakoff on Tuesday, September 28 to visit with some folks from the Tyler and Winnsboro clubs. They tell me they enjoyed it very much--tire kicking with other Model A lovers! They report that they saw some very beautiful cars and also got their pictures in the Malakoff News.

Cruise night at Athens was a wonderful "end of summer blast". Even *Elvis* showed up! Some of our ladies went home donned with beautiful red, white and blue flag scarves. We had 19 members present, *Evelyn*—OV's sweet sister joined us, along with *Dot*—Wanda's sister and *Mallory* the granddaughter of Bill and Kathy Homes who were in town from Chattanooga, 9 Model A's, a T-bird, a Mustang and a Hotrod. Door prizes were won by "Lucky OV" again this month and Shorty.

On Saturday, October 2nd, nine club members and Evelyn attended the Eustace Homecoming Parade. It was short, but sweet and those attending had a great time at Sue's Roost later. Some had breakfast, some had lunch, but all had a great time visiting!

Garage Report: Jim Bellah is coming right along with his '31 Turdor. He has just finished the painting and is trying to get things ready for Winnsboro. Jim, if you need any help, please call the guys—that's what club members are suppose to do—help you when you need it!

Harris' Model A is in the paint shop! Soon these guys will be up and ready to run with us.

Sandra, please make sure you call some club members to help Gene when he goes to work on his "Mustang A". O. K.?

Birthdays	October	Edie Powell	Oct. 11	Ola	Oct. 31
	November	Mary Worman	Nov. 8		

Congratulations to Grandparents Charles and Janelle. They have a big, bouncing baby boy. Garrett Lake Reed was born September 8.
