If you were not at our last meeting—you missed a great time. Wallace Wade from Dallas was our special guest and he presented a very interesting program about antique tires. Robert Needham and Paul Pirtle were the winners of the door prizes given.

Thursday, October 7, Shorty, Bill and Sue drove Model A's to Van to the first anniversary of Johni Red's Restaurant. What a nice drive through the country! And not one rain drop!! We met Ken Parker there from the Tyler Model A Club and had a great visit and enjoyed answering all the questions the folks had who came by to see us.

Saturday, October 16th many of our members participated in the car show hosted by Danny and Shirley at the Dairy Queen in Seven Points. Sue Capps won the Peoples' Choice award and took home a 1940 Ford Sedan, "bank" that is, one of several given away by DQ for the 60<sup>th</sup> anniversary. Everyone had a great time and enjoyed visiting with all the folks who came by to see the cars. Jim Blakeney and several other members participated in the Poker Run. Mary Worman was very lucky and went home with several door prizes. We had 8 cars on display.

Party plans are underway for a great Christmas get-together, Saturday, December 4 at the Ashton's. Each member will need to bring a new unwrapped toy that will be donated to the Toys for Tots. Also, get out your "Model A part" instruments. Wash the grease off and get 'em all tuned up for Christmas carols. You will need to use your imagination for this—so get creative! If you do not bring your instrument—no telling what they will have for you to play!

Winnsboro was great again this year. If you missed it...you really missed a fun time. The weather was just perfect. Clark Clay, Shorty, Mary and Sue drove their A's. The air was cool and mostly cloudy—in fact the skies looked like we could be bombarded, but

we only saw a drop or two-----but did it rain when we got the cars home in the garages and closed the doors. It is always amazing how the rain holds off for us. We had 17 Cedar Creek members on Saturday for the parade, seven Model A's and 14 members at the banquet. Six of our A's drove the Sunday morning country drive. Mary and Sue won second place in one of the car games.
