Thanks to the officers of 2004! You have done a great job leading our club and making it what it is today. All your hard work and dedication is so much appreciated!!! Ola and Bill

The officers for 2005 were elected at the November meeting: Bill Capps, President, Clark Clay, Vice President and Mary Worman, Secretary/Treasurer. Board of Directors: Ola Powell, Sue Capps and Charles Seabourne. What a great group of willing people to lead our club and help promote the love of our hobby. Mark the first Tuesday of every month on your 2005 calendar and plan to attend all the meetings.

Seven members met at Larry Chase's house and went to a garage sale of Model A and Model T parts and lots and lots of tools. I understand the guys had a great time browsing through all the "garage sale stuff".

Christmas Party: The imagination and inventions of some very unusual Model A musical instruments kept everyone laughing. We had a tambourine, cymbals, clappers, bells, maracas, a drum, keyed carbonate, a whistle, a mini-mandolin, a washtub oboe, brake drum chimes, hubcap shakers and a Model A Ford guitar! Thank you Bud and Patsy for hosting the party at your beautifully decorated home. Thanks Patsy for the home tour. Thank you Janelle and Patsy for the planning. You did a great job! Harris said "this was a lot of fun—one of the best parties". The 50/50 birthday money was won by Janelle Seabourne, who so graciously donated her 50% (\$ 11.50) back to the club. How's that for club support? Thank you, Janelle!!!!

We have had two new additions to our Model A's John and Mary Worman have a 1929 Roadster Pickup and Sue Capps now has the 1931 Fordor she has always wanted.

Sunshine Report: Bud Ashton is doing great following knee surgery. Edie Powell has a cold and has not been well. Sandra Tregre has been ill. John Worman is now feeling better. Our sympathy to Bud whose sister and brother recently passed away.
