From the President...

I am looking forward to the coming year. We plan to have a lot of new activities, fundraisers and exciting ways to make our club grow. We will need your participation to achieve this goal. People love our old cars and the more we show them –the more interest we hope to generate in our club. Let's work together to make 2005 the year of the Model A Ford.

Thanks to all who were in the Christmas parades. We got second place in the Malakoff parade and second place in the Gun Barrel City parade.

It's January and you know that it means our yearly **dues are now due. \$15.00 per family**

Four new Model A's John and Mary Worman have a new 1929 Pickup. Harris Lege and Sue Capps both have new 1931 Fordors, almost the same color. Bill Capps has a new 1931 Roadster. We have a nice variety of Model A's.

Thank You! You all have made my past two years of service so pleasant. I appreciate all of you who have always been so willing to help out. That is what makes this club so much fun. Now I am looking forward to setting back and enjoying the meetings. Sue Capps
