From the President...

We had a great March meeting with lots of participation. Twenty-two members attended--- Bud and Patsy Ashton, John and Wanda Bell, Jim Blakeney, Bill and Sue, Clark and Judy Clay, OV, Shorty, Eddie Moseley, Robert and Imogene Needham, Gene Tregre, Ola and Edie, Paul Pirtle, Charles and Janelle Seabourne John and Mary Worman. Shorty and Bill Capps drove Model A's to the meeting. Charles Seabourne won the door prize. Congratulations Charles!!!

LINDY MALL OUTING The day was just perfect for our outing on March 19 to the Lindy Mall. We had 25 members and 12 Model A's attending ---if you count the rusty ol' truck Ola brought over and SOLD. Everyone seemed to enjoy the food and fellowship with all who came by to see the cars and shop the antique mall. Many people were interested in the club and loved asking about the cars. We also, had a good time visiting with the Tyler club folks and checking out their cars. It was a good day. We really looked good in our blue vests. We should have a great group picture for our calendar.

GARAGE REPORT: The tech session at the Worman's went well. Those attending were John Bell, Clark Clay, Shorty, OV, Jim Blakeney, Paul Pirtle, Sue, John, Mary and one guest: Joe Creecy of Kaufman. Joe has a 1929 Tudor and a 1931 Sedan. Due to the rain, there were only four Model A's present-John and Mary's, Shorty's and Jim Blakeney. The crew mounted new taillights on the Worman's A's and checked out Jim's front brake. Patsy Ashton provided the beans, Joe Creecy, our guest, brought Cajun rice and a great Spice cake. **THANK YOU JOE!** And of course, Mary made her famous Oatmeal Raisin Cookies. We had a great time of fellowship. Plan to attend the April tech session at Charles Seabourne's garage for a short Welding course. The date will be announced at the April meeting.

NEW MEMBER: Joe Creecy joined us for the tech session and decided that he would like to join the club. Welcome Joe! Joe lives in Kaufman. His address is 1374 CR 153A Kaufman 75142 his phone number is 972-932-2154. Please add Joe's name and address to your directory in your blue book. Give him a call and welcome him to the club.

NEW Model A. Bud and Patsy Ashton just recently acquired a nice Fordor. Hope to see it out on the road soon. We will get Bud to tell us all about it at the April meeting.

Bill, Sue and Shorty drove to the first Athens Cruise night on Thursday, March 24th. OV brought a friend and came out to see the cars and visit. Paul and Linda also were out visiting. Lucky

Shorty won the first door prize drawing. Remember to mark your calendars on the fourth Thursday evening of each month for the Athens Cruise night and get together. It is fun to see just what will drive up.

SUNSHINE REPORT Ola has began treatments for cancer of the bladder. He has had some complications but seems to be doing better.

Sandra Tregre had a sore throat, but she was at the Lindy Mall taking pictures for the club calendar.

Lorene had a fall, but other than being a little black and blue she is better.

Shorty and Ola picked Mr. Olin Lewis up and took him out for a ride on Tuesday. He said he sure enjoyed the opportunity to get out for a little while.

Please keep these folks in your prayers.

CLUB CALENDARS We will be having some calendars printed for 2006. They will feature pictures of our Model A's and members at our outings and tours. Please shine up you're A's and join us for the meetings and events for a chance to get you're A featured in the calendar. We have to print 100 copies to make this project cost effective. Please call Sue Capps to let her know how many calendars you would like to purchase. We will have to have a deposit from you for each calendar you order when we have everything ready to go to the printer. Charles and Janelle Seabourne's daughter will be doing the printing for us at a reduced price. The calendars will sell for \$12.00. They will make nice gifts for Christmas or birthdays for friends or family. This will be a great fundraiser for the club with your help. We already have 59 orders from the March meeting. I will have the sign up sheet at the April meeting.

See Ya next meeting -- Tuesday, May 3 5:30
