From the President...

Another great meeting for April. We had twenty-four members attend--- Bud and Patsy Ashton, John and Wanda Bell, Jim Bellah, Jim Blakeney, newest member-Joe Creecy, Bill and Sue, Clark Clay, OV and Lorene, Shorty, Eddie Moseley, Robert and Imogene Needham, Gene and Sandra Tregre, Paul and Linda, Charles and Janelle Seabourne, John and Mary Worman.

Jim Blakeney, Shorty, and Bill Capps drove Model A's to the meeting. We managed to drive into the garage just as the worst downfall started. Jim Blakeley who was just ahead of us, had a lot farther to go to get home to Malakoff and was almost "drowned" by the severe thunderstorm and hail--his Model A did sustain a little damage.
Eddie Moseley won the door prize. Congratulations Eddie!!!

SATURDAY POKER RUN AND PICNIC

There was a chill in the air, but we still had a great time. Thank you Mary, Clark and all who helped organizing and planning this event for us. We met some very nice business owners who welcomed us and supported us by helping out. All went great. We started from the DQ and circled the lake. We stopped just out of Malakoff for the club picnic where we picked up our last card. John Worman won the \$75.00- 1st place with a full house, Jim Blakeley won the \$50.00-2nd place and Robby Clay, son of Clark and Judy won the 25.00- 3rd place with . Congratulations to you all! Actually we were all winners because we had a great time and enjoyed visiting with everybody. Eddie Moseley donated the prize money. Thanks Eddie! We missed you, but thanks again for your support. We all had a great time. Ten cars and twenty members and guests participated in the run. Robby and Amanda Clay were in from Ft. Worth for a weekend visit and were able to join us. It was nice meeting your kids---Clark and Judy! We hope that they can join us again soon.

HAPPY ANNIVERSARY to Jim and Sandra Bellah who celebrated with us Saturday at the club picnic. We wish you both another wonderful 24 years! Jim--- any woman willing to celebrate her anniversary with Model A folks running the roads is a keeper!

GARAGE REPORT: The tech session at Charles Seabourne's garage went well. Those attending were Bud, John, Bill, Clark, Joe Creecy, Shorty, OV, Jim Bellah, Jim Blakeney, Paul, Robert, John and Mary. Ken Parker came over from Van to join us. Janelle furnished the lunch which everyone enjoyed. Thank you Charles and Janelle! A great time of learning and fellowship was enjoyed by all..

Plan to attend the May tech session, which will be discussed at the May meeting.

Athens has started the Cruise Night again for the summer. Please join us on the fourth Thursday of every month.

We had two members who braved the elements driving Model A's in the Cornbread Festival Parade in Malakoff April 30 Jim Blakeney and John and Mary.

Pate Swap Meet is history....It was hot.... it was cold.... it was windy ...but there was no rain—that was an absolute first!!! The best thing about having the swap meet at the Texas Motor Speedway is there is no mud like we always had in Cresson. Shorty and Bill had a great time meeting the people who came by---talking about the old cars and the past. They sold some rusty iron and bought home some new rusty iron..

John and Wanda Bell have both had allergy problems Ollin Lewis-we miss seeing you! Please keep these folks in your prayers.

CLUB CALENDARS We will be having some calendars printed for 2006. They will feature pictures of our Model A's and members at our outings and tours. Please shine up you're A's and join us for the meetings and events for a chance to get you're A featured in the calendar. We have to print 100 copies to make this project cost effective. Please call Sue Capps to let her know how many calendars you would like to purchase. We will have to have a deposit from you for each calendar you order when we have everything ready to go to the printer. Charles and Janelle Seabourne's daughter will be doing the printing for us at a reduced price. The calendars will sell for \$12.00. They will make nice gifts for Christmas or birthdays for friends or family. This will be a great fundraiser for the club with your help. We already have 70 orders. I will have the sign up sheet at the May meeting. We must order at least 100 to get this reduced price.

Our CEDAR CREEK A's license plates are all here. They look great. Some of the colors are really pretty. If you have not ordered yours yet, please talk to Ola. All paid up club members get one paid for by the club for your Model A.
