BUSY MONTH OF MAY.....Saturday, May 7 was Founder's Day in Emory What fun! Clark and Judy Clay, Harris Lege, Shorty, and Bill and Sue drove Model A's to participate in the parade, Robert and Imogene Needham and Ola Powell trailered over to join us. Judy Clay, Harris Lege and Shorty all won cash door prizes. Ola had guests in town for the weekend and brought them with him—Debbie, Edie's daughter and her friend, George. Dennis drove the Model A for Ola. Dennis really enjoys driving the A. He drove for Ola in the Poker Run also. Hopefully, he will get a Model A and join the club.

Monday, May 9 Visit to the Care Center in Malakoff. Bud, Patsy, John, Wanda, Bill and Sue, Clark, Judy, O. V. Lorene, Robert, Imogene, John, Mary and Shorty all met at the home for the residents to enjoy the days past. We met some very lovely older folks who really enjoyed sitting in the cars and having their pictures made. Afterwards, we had a great lunch together at Hernandez Café in Malakoff. It was a little chilly and a little mist of rain, but it did not dampen our spirits, especially when we saw the smiles on the faces as they remembered days of the past and recounted some great stories.

Saturday, May 14 B-B-Que Lunch at Dennis Powell's We had 18 members and 8 Model A's present, lots of great meat and the trimmings. It was a nice little drive out and back and the weather could not have been better. Thank You Dennis and Della for your hospitality!

Grand Opening at Mom's Kitchen on Thursday, May 19 went well. The club was represented by Eddie and Pat Moseley (the kitchen is owned and operated by Pat's sister, Mary Ann Gibbs),

Robert and Immogene Needham, Ola and Edie Powell and guests, Jake and Joyce Jackson, Bill and Sue Capps, Shorty and Mr. Ollin Lewis, who was able to join us for lunch and pictures. So good to see you Mr. Lewis. We had six Model A's present.

GARAGE REPORT: . No garage report for this month.

Please call me and let me know if you would be interested in hosting a garage tech session or also if you have something that we might need to spend some time on. Horns has been a topic that was mentioned—"how to keep 'em working"

Athens has started the Cruise Night again for the summer. Several of us drove over and enjoyed a little music and short cruise around the courthouse square.
