DAIRY QUEEN SEVEN POINTS FREE ICE CREAM with your meal

From the President...

The meeting place was almost completely full!!! We had a record number attending the October meeting, 26 members and 5 guests. Jeff, Bud and Patsy's grandson joined us. Walt and Virginia Hillebrand were guests of Ola and Edie. Don Dyess attended his first meeting since joining the club. So glad to have you with us Don. Bring Shirley next time. It was good to have Jimmy and Erma Reynolds with us. They joined the club at the meeting. Welcome Reynolds. They live in Eustace and their telephone number is 903-451-5329. Remember to add this to your blue books until a new roster is printed for January.

Saturday, October 15 was the third annual car show sponsored by Danny and Shirley at the DQ. We had several winners in our club. John Bell won with his Roadster. Mary and John won with the GTO. Way to go folks!

Winnsboro Autumn Trails is history...we had great club participation and representation for the Friday night stew, parade, car games, banquet and Sunday morning drive. Mary and John, Shorty, Harris, Sue, and Ken and Lillian Parker drive their Model As on Friday. Ola, Edie, Charles and Janelle trailer their Model As. In addition, Bill Capps, Bud and Patsy Ashton, Bud's brother-in-law and his lady friend, Don and Shirley Dyess, Joe Creecy and Paul Pirtle. Thanks for supporting our club in this fun event. John and Mary won third place in the washer toss game. Bill and Sue won second place in the emissions game. What fun...make plans now to join us next October for a great fun outing and tour.

Henderson County Back Roads Tour

We started this tour from the Lakeside Cafe in beautiful downtown Malakoff, Texas. There were eight Model A's on the tour. One Pickup, one Tudor, one Roadster, and five Coupes. Club Members attending were OV and Lorene Cliver, Bill Capps, John and Wanda Bell, Jim Bellah, Jim Blakeney, Joe Creecy, Shorty Johnson, Ola Powell, John and Mary Worman.

The weather was great with sunshine and cool breezes all day. Our tour guides, OV and Lorene Cliver choose some great Texas back roads with lots of trees, meadows, and gentle rolling hills.

The first stop on the tour was in the community of Jackson Chapel at the home of Joann Surls. The home is on a wooded hillside facing a small valley. Joann had invited our group to stop by and visit. We were greeted with a warm smile, homemade muffins, and hot coffee. The gardens surrounding the home are unique as well as beautiful. The gardens are made up of ground cover, stone walkways, and numerous sitting areas. The garden had many statues with their on ground cover island.

Within the garden is a log cabin adorned with items representing rural life from years past. Also located in the garden is a dollhouse or child's play house with lots of antique dolls, books, and toys. On the side of this building is painted a mural of children having fun. Just another interesting and unique area of the gardens.

The next stop on the tour was Post Oak Memorial Cemetery. This cemetery was established in 1889. Located on the property is a pavilion with tables and benches we used for lunch. This was a quiet location with no city sounds. The only sounds heard were Red Tail Hawks.

No tour is complete without a break down. About twenty minutes after leaving the cemetery the leader's Model A decided to take a break. We had a good place for this because the whole group was in the shade with a cool breeze. Out came the toolboxes and theories to fix this little problem. First theory was fuel problem. After some checks of fuel system and a carburetor change theories shifted to ignition problem. With no parts for this particular ignition set up out came the tow strap. As the first four cars got under way car five developed a problem. The group ended the tour as two halves, but everyone did make it home.

Just another Cedar Creek Model A Club memory. By Joe Creecy
