

MODEL A CLUB NEWS

PRESIDENT'S MESSAGE

It's June already, where have the months gone? I think the first Tuesday of May came too fast. We had 17 members sign in with 5 of them driving A's.

I have to say, being President has been a great experience. It has given me the opportunity to get to know each of you better. As a Club we are blessed to have such a fine group of Model A'ers.

Emory Founders Day had 20 Model A's this year in their parade. CCMAFC had 5 A's and 8 members. Clark and Judy Clay, Ken Parker, Harris Lege, Bill and Sue Capps, Shorty Johnson, and Joe Creecy representing CCMAFC. There were 4 Model A clubs represented, Autumn Trails, Dallas, Tyler and Cedar Creek. Congratulations Ken Parker for winning a 3rd Place Ribbon in the Antique Car Division at Emory.

The outing to the Oil Museum in Van was nice. We were only allowed to look at

outside exhibits. It's a private museum and was closed. The picnic lunch with the Parkers was great. We had lunch inside followed with ice cream. Ken's shop was of interest with his Model A engine air compressor project almost finished. Paul Pirtle provided a tip on a Model A short block which set off a three member hunt for it.

Making up the Van tour were two moderns and 5 A's. Attending were the Worman, Hellebrands, Dyess, Jim Blakeney, O.V. Cliver, Bill Capps, Shorty Johnson, Paul Pirtle, and Joe Creecy. The

photo above was taken at the Van Oil Museum. It is a working well and was running while we were there.

The following is from Sue Capps: There were 3 A's from CCMAFC attending Cruise Night at the DQ. Shorty, Bill/Sue and Bill/Kathy Holmes from Chatanooga. Jimmy and Irma Reynolds came in modern

PU. Harris Lege in his Jeep pickup and Robert Needham in his Mustang.
