

MODEL A CLUB NEWS

August, 2006

PRESIDENT'S MESSAGE

What are these club members working on ? Could it be something to do with a Model A?

July was the month to see friends and members we had not seen in awhile. Eddie, Lorene, Jim and Sandra, Robert and Imogene, Clark and Judy. It's a good feeling to see members we don't see on a regular basis.

The Worman's Annual Double Dip get together was well attended. The home made ice cream with home made accompaniments were really good. Mary had 1960's Motown music on the sound system which was an added treat. We were blessed with a cool breeze off the lake and wild life to watch. The fish were jumping in the lake near by. Thanks John and Mary for hosting.

Cruise Night drew a good size group. I would say the Dairy Queen was full. The cars alone are worth a trip to the Dairy Queen. Remember the third Thursday of the month is Cruise Night. We need to support Danny and Shirley when we have the chance. Dairy

Queen of Seven Points does not charge CCMAFC to hold our meetings there.

July's breakfast set a record for Model A's driven. There were ten Model A's in the parking lot. This was more A's than we have at club meetings. The cars drew a lot of attention, with a lot of people looking at the cars. Thanks Wanda Bell for setting up the breakfast. I think we had sixteen members attend the breakfast. I am real pleased with the participation for the breakfasts. Thanks everyone for what appears to be a successful club activity.

This is a prayer request issued to all members of CCMAFC. John Worman is in the hospital and John and Mary need all of our prayers and positive thoughts. John is in St Paul hospital in Dallas. Send a Get Well Card to express your wishes for John's recovery.

Texas Tour 2006

submitted by Sue Capps

Thursday, June 8th, we started out for the Texas Tour in Victoria, Texas. It would be our first long trip in the newly acquired "old" motor home and the first day of a four day weekend with Model A's and friends. Bill had cleaned and checked out everything, so we hoped for a good, uneventful trip. Hopefully, we would arrive in time to set-up at the RV park and get to the headquarter hotel to pick up our registration and bag of goodies. About an hour into our trip, just after we had gotten on to Interstate 45, we heard a loud noise. Oh no! Everything seemed fine so we continued on our way without stopping. When we pulled into Madisonville, we stopped for fuel. A man who was getting ready to leave said "You do know you had a blowout on the trailer, don't you?" No we did not, until we saw the wheel with what resembled a little fringe around it. We back tracked a little to the nearest tire shop. By then it was twenty minutes till noon. The tire shop closed for lunch at noon. Yes, they had a tire and they could get us going again. After admiring the Fordor, they soon had the tire replaced and once again we headed on our way.

We had just gotten through Madisonville headed for Bryan-College Station, when a lady pulled up along side of us and mouthed the dreaded words—"You have a flat tire"! Bill pulled over to the side of the road, once again we had a wheel with a little fringe around it. They got the spare tire on and once again we were on our way. After stopping at three tire shops, we found one in College Station that had a tire. Soon we were off again. We arrived in Victoria about 4:00 PM. Model A's were running around everywhere. The headquarters hotel parking lot was full of trucks and trailers. We visited with the Callicuts, Parkers and many of our Houston club members and other friends at

the welcoming party. Bud and Ken had a table set-up promoting the 2007 Texas Tour in Tyler.

Friday morning, we gathered for breakfast. After breakfast, we were escorted downtown in color coded

groups for the car muster, (car judging). At the parking lot we visited some more with old friends and met new friends. One couple in line behind us had a beautiful green Tudor. They

ask us about the Cedar Creek Club, since we were wearing our blue vests. We told them how the club was organized and discussed how they could

start one in their town of Corpus Christi. They had joined the Victoria club but it was quite a drive for them to the meetings and outings. I asked the lady who all she knew in Corpus Christi because I had a lot of relatives down there. I said do you know anyone in Flour Bluff? I have an aunt who lives there. Annie Poldrack. She said, "Annie Poldrack is my aunt also!" We soon discovered that her mother and my mother were sisters. We were cousins! Her mother was much older than my mother. My mother was the next to the last child, so when her mother passed away they did not stay in touch with the rest of the family.

Friday night was the Fashion show and banquet. It is always so interesting to see all the men, women and children dressed in the era clothing.

Saturday morning we were escorted to our color designated parking lots for the Grand Tour. The staging was so that every fifteen minutes another group of A's left the area for the tour. After a little country driving, we had a pit stop. When the second group came in then we moved on out to the stop for lunch. Lunch was prepared and served by a Chuck Wagon Gang. We had beef fajitas, beans, rice, homemade tortillas and homemade salsa. After lunch, Dutch oven peach cobbler was served for dessert. Then the car games began. Saturday night was the awards banquet and end of the festivities. The clubs were recognized and the awards were given out. There were 135 Model A's present, 156 registrations and about 300 Model A'ers. We had a great time and as usual are eagerly anticipating Texas Tour 2007 in Tyler.

Hershey, PA
- October 28 Autumn Trails**
Winnsboro, TX

**CEDAR CREEK MODEL A FORD CLUB
Minutes of Monthly Meeting – July 14, 2006**

An informal monthly meeting of the CCMAFC was held at the home of John and Mary Worman before the Double Dip Social on Friday, July 14th. Twenty-six members were present, with five Model A's being driven to the meeting (Walt and Virginia Hellebrand, C. D. Johnson, Bill and Sue Capps, Harris Lege and Jimmy and Erma Reynolds).

The meeting was called to order by the President, Joe Creecy, at 6:10 PM. Joe opened with a prayer, and led the group in the Pledge of Allegiance.

Old Business - The minutes of the June 6, 2006 meeting were read by Shirley Dyess. A motion was made by Ken Parker to accept the minutes as written, Charles Seabourne seconded the motion, and it was carried unanimously. Shirley also read the Treasurer's Report and noted that the new checks had been located and by the end of this month she will have all deposits and bills on a current basis so that the bank balance and the actual Club balance should be the same in future.

New Business - None

Announcements – Sue Capps gave the July birthday report – John Bell, Ken Parker, Judy Clay, Lorene Cliver, Harris Lege, Robert Needham, and John Worman all had birthdays in July.

Sue Capps gave the Sunshine Report – Imogene Needham will be taking treatments in Dallas until around the middle of August. She seems to be doing well, except that she is very tired most of the time.

Wanda Bell announced that our July breakfast will be at McClain's (8:00 AM on July 22nd). She will try to reserve the back room for the members.

Eddie Moseley won the Mystery Raffle prize. Those who did not win will have their tickets entered in the August Grand Prize drawing.

Ken Parker brought the preliminary copy of the Directory to the meeting and corrections were made as necessary. Pictures were taken of everyone at the meeting who was not yet in the Directory.

The next meeting of the Club is scheduled for August 1, 2006 at the Dairy Queen in Seven Points at 5:30 PM.

John Bell made a motion that the meeting be adjourned, and Don Dyess seconded the motion.

Shirley L. Dyess
Secretary/Treasurer
