

MODEL A CLUB NEWS

HELLO CCMAFC MEMBERS,

A BIG “Thank You” to Bill Holmes for getting the Cedar Creek Model A Ford Club website up and running. This is such a fantastic contribution to our club and we really appreciate all the hard work and time that he has spent designing this and setting it up for us. Check it out at: www.CedarCreekAs.org. I have already had a call and promise of a new member as a result. Thank you Bill!

We sent our condolences to Clark and Judy on the passing of Clark’s dear, sweet mother who passed away on Sunday, July 8th. Our thoughts and prayers are with you both during this difficult time.

July was not a very busy month.... but didn’t we all enjoy the last meeting and ice cream social at the home of Mary Worman on Friday, July 13? We did not get to swim in the pool, but the Model A’s had to “swim” to get to the house! The road getting there was a little flooded.... but no harm done to any of the A’s? There was quiet a downpour just before our meeting time and also another round of rain while we were enjoying our ice cream. Thank you Mary for hosting this event for our club again this year. It has become something that we look forward to very much. Thanks to the ice cream “makers” who brought ice cream. Thanks Joe for making Judy Clay’s traditional “Tootie Fruity” ice cream. We missed you Clark and Judy! Thank you all who brought the great cookies, brownies, muffins, and ice cream “go to-gathers”. Gene Tregre was the lucky winner of the \$50 from the drawing of the last six months non-winning raffle tickets. Way to go Gene!

Three of us took cars to the Gun Barrel City fire station on Saturday, July 14 for the annual fundraiser fish fry. We met some really nice people and heard some great stories from the older folks about their Model A’s and good times years ago.

It was good to meet at the DQ in Seven Points for Cruise night on Thursday, July 19. Many of our club members drove their cars and we had a great visit with some new people who had some fine looking cars there for the first time.

Our Saturday breakfast was held at The Yellow Rose Cafe in Seven Points on the 21st. Eight members came in their Model A’s. Don and Shirley Dyess, Harris Lege, Walt and Virginia Hellebrand, Joe Creecy, Bill and I. We got to visit with some members of the Cruisers club also. This is a great start to the day for us and I hope to see more members at the August breakfast. Drive those A’s early in the morning during August while it is cooler!

Walt and Virginia Hellebrand, Bill and Nancy Wittner and Joe Creecy went down to Fredericksburg to the swap meet and from reports had a good time, good weather and good shopping.

We have a design for our club patch for our Fifth Year Anniversary. I will have a copy for you to check out at the meeting and get your comments. To those whom I have emailed the proof—the response has been good, but we need your comments.

Looking forward to seeing you all at the August meeting on Tuesday, August 7th. See ya at the DQ!

Cedar Creek Model A Ford Club
Minutes of July 13, 2007 Meeting

The monthly meeting of the CCMAFC was convened at 6:00 PM on Friday, July 13th, before the ice cream social held at Mary Worman's home. Nineteen members were present, with three Model A's driven to the meeting (Walt and Virginia, Bill and Sue, and Shorty). The meeting was called to order by the President, Sue Capps. John Bell gave the opening prayer and Walt Hellebrand led the Pledge of Allegiance.

Sue announced that the Newsletter is now being sent by e-mail (or mail). Bill Capps made a motion to accept the June minutes as written in the Newsletter, Joe Creecy seconded, and the motion carried. Shirley read the June Financial Report.

Sunshine Report: July birthdays include John Bell, Harris Lege, Judy Clay, Robert Needham, Lorene Cliver and Ken Parker. The group sang Happy Birthday to John and Harris, the only two present. Sue reported that Clark Clay's mother had recently passed away, Jimmy Reynolds was doing well with his workouts after his back surgery, and Lorene is still getting over her recent fall.

Old Business

Sue reported on our day at Tri-County Ford on June 30th which included lunch provided by the dealership. We had breakfast at Mom's and then twelve cars lined up in front of the Tri-County showroom. Cecil and Flo Garrett from Kemp applied to join the Club during the outing.

Sue has looked into the patches for the five year anniversary of the Club, and the cost will be \$5.50 each if we order 50 patches. She will also find out how much it would cost to buy pins to commemorate individual five year anniversaries for each of our members.

New Business

Bill Holmes has volunteered to design and maintain a website for the Club. Many of the other clubs have websites, and this should give us good exposure to attract new members. Thanks are due to Bill for all his work on this project.

On Saturday, July 14th, the Gun Barrel City Fire Department is having a catfish fry fundraiser, and we have been invited to display our Model A's from 5 to 8 PM. Cruise night at the DQ is Thursday, July 19th at 6:00 PM, and our July breakfast will be at The Yellow Rose, 8:30 AM on July 21st. Several of our members are also planning to go to the July 27-29 Fredericksburg Swap Meet. Sue also mentioned the August 10-12 Swap Meet in Canton, and the August 18th Van Zandt County Sheriff's fundraiser in Canton.

Don asked that everyone consider whether they would like to go to a play in Athens in September (A Streetcar Named Desire), and perhaps have dinner before the play. The play will run from September 6-15, and he will discuss this more at the August meeting. We will be required to pay for the tickets in advance.

There will be a tech session at Bill Wittner's garage on Saturday, July 14th at 9:30 AM.

Charles Seabourne won the mystery raffle, and Gene Tregre won the \$50.00 Grand Prize drawing.

Don Dyess made a motion to adjourn, Harris seconded, and the meeting was adjourned.
