PRESIDENT'S MESSAGE

Happy 4th of July to all of our members. I wish everyone a safe and happy 4th.

June got off to a good start with an exciting trip to Forrest Green's home and a tour of his Model A's. We had nine members and one guest attending. As it turned out, it was an all men's tour. We were welcomed by Forrest and we then preceded to his garage where I could not believe my eyes. The Model A's were all absolutely beautiful. It was a great collection. Next, it was off to his parts barn where he had just about everything.

After all this, it was off to lunch in Corsicana for fish and chicken. Once again, a good meal with good friends. It just doesn't get any better.

June also gave us Pioneer Days in Eustace with breakfast at 8:00 am with 12 members and one guest. We had seven Model A's in the parade.

Now it was time for the Texas Tour and World Meet in Addison, Texas. We had five members spending multiple days who are Walt, Virginia, Bill Wittner and Nancy, and Joe Creecy. Bill and Sandra Lee and their guests spent two days. The meet was also visited by Harris, Ken, Bill, Sue,

Shorty, Don, and Shirley.

A welcome party was set for Monday night with hot dogs, hamburgers and drinks followed by a movie "The Great American Race".

There was a swap meet everyday outside & indoors. There were plenty of tech sessions, fashion shows, luncheons, shopping tours, Hubley derby races and much more. I believe the last count of cars attending was 543 Model A's with 46 states represented and 5 countries.

Model A's driven to the meet were from Oregon, California, Arizona, Minnesota, Ohio, Maryland, Massachusetts, New Jersey, Florida, Tennessee, Canada and a few more I probably missed. Our grand tour was to Texas Motor Speedway where we all did 2 laps around the racetrack. This was truly an experience.

Our Gift certificate from the club to Piranio's Antique Automotive was won by Bruce Waterman, a member of the Dallas Model A Club, living here in Tool, Texas. Congratulations. All that went had a good time.
