PRESIDENT'S MESSAGE

It appears that the groundhog was right – we are sure having more than our share of winter this year. Makes it difficult to spend much time driving or spending time in the shop to get our A's ready for the driving season.

We had a large group for dinner, followed by an excellent performance of *Arsenic and Old Lace* at the Henderson County Performing Arts Theater on February 13. The cast was of superb quality. Thanks Wanda for organizing this neat evening.

Don't forget the Potluck Crockpot dinner at Bill and Sue Capps on Friday, February 26. From the list of crockpots and other dishes coming, don't think we will go home hungry!

Activities will start picking up in March with 3-4 events, if we can chase old-man winter away. Keep informed by periodically checking the calendar on our website at www.cedarcreekas.org.

Hope to see you on Tuesday, March 2 at the Dairy Queen,

Bill
