PRESIDENT'S MESSAGE

Happy New Year

We finished off the year with another Great Christmas Party. A special thank you to all of you who brought such great food. It just keeps getting better.

The duck made his appearance, to no surprise. The lucky member to get it was Janelle Seabourne. I don't think the duck will be back. He will most likely take up residence in a stock tank?

We finished off the year with a Christmas Parade in Malakoff with 9 Model A's showing their Christmas Spirit.

Thank you Bill Wittner, Chuck Sportsman, and Joe Creecy for your

leadership this past year and Bill Lee our Webmaster. Outstanding!

I would like to thank the Members who stepped up to to be the club officers and Board of Directors this year. Bill and Sue Capps did a wonderful job on our tours. Wanda Bell handling the scheduling of our breakfasts, lunches, and entertainment. I did get in a few tech sessions.

Yes it is here 2011. I am looking forward to working with you the members. Any assistance and encouragement will make for a great year of fun and fellowship.

Sunshine Report – Sue Capps

Our Sunshine report this month is very abbreviated: Sue has been really tied up. This from her concerning her Dad, Shorty:

“We made two runs to the ER then was admitted for emergency surgery. Old scar tissue from previous radiation for prostate cancer in 1995...

We got home late last night---after two weeks in Tyler Mother Frances. He is doing better now, but is still a long way off from being on his own again. As you know being in bed--you lose strength..and he had two surgeries which also added to some more loss of strength. Due to the bleeding problem, he was been taken off Coumadin, which in itself can present new problems...hopefully, he will be able to bypass them and move on.....

I hope he will be able to drive to the meeting Tuesday---

Others of note: Sandra Lee is scheduled for hip replacement surgery on Jan 4, so won't be at the meeting.
