## President's Message

Hello, all;

On Tuesday July 21<sup>st</sup>, 17 club members and one guest, Harris' friend, met for breakfast at The Athens Cafe. Walt provide us with another Model A quiz. Bill Capps and Chuck were the winners.

It was good to see Jim and Lois Estes. They have not been able to make it to the club activities for several months. We talked about having a ice cream social at their place. I will follow up on this and let the club know when.

The officers had a short meeting after breakfast to discuss IMAD. It was decided that Chuck would talk with the owner of Moore's store about having a Fish Fry and getting the other Merchants involved with the activities.

See you all Tuesday, August 4<sup>th</sup>.

Jody

# "Danny Animal Transport Van" (aka DANNY VAN)

Danny Hampel's unwavering love of animals was the catalyst for his involvement with the Humane Society of Cedar Creek Lake.

In lieu of flowers, a memorial fund has been established in Danny's name to benefit the Humane Society of Cedar Creek Lake.

It is hoped that an Animal Transport Van could be purchased with this fund which would facilitate the transport of foster animals and save the lives of our furry friends.

## Thoughts

With what is going on in the world these days Heaven could end up a ghost town.

You know you are getting old when everything either dries up or leaks.

Ah! Being young is beautiful but being old is comfortable.

Lord, Keep your arm around my shoulder and your hand over my mouth.

The biggest lie I tell myself is ..."I don't need to write that down, I'll remember it."

Wouldn't it be great if we could put ourselves in the dryer for ten minutes; come out wrinkle-free and three sizes smaller

Last year I joined a support group for procrastinators. We haven't met yet!

I don't trip over things, I do random gravity checks

I don't need anger management. I need people to stop ticking me off!
