President's Message

As you are aware—We had a very wet July. Echanted Oaks Parade was cancelled due to rain. Harris and I were ready to go but the parade had to be called off!

July 19 th , Emma and I hosted a Tech Session; converting a 6 volt starter to a 12 volt. starter. The tech session started at 10:a.m., attending members and guest were Harris Lege, Wallace Kemp, Jim Blakey, Bill Capps, Ken Parker, Gary Vick, Harold Hemphill, myself—Gerald and my grandson; Matthew Galofaro. Ladies attending the session/luncheon were Julia Waterman, Carolyn Vick, Sue Capps, Nancy Kemp, my daughter; Barbie Galofaro & Emma. Emma served a very nice and large lunch! All seemed to enjoy the session & lunch. Harris did an excellent presentation on the conversion. The only event was the fiber insulator that provides protection from shorting, broke in half and shorted. A new insulator was installed and is working smooth as silk.

Reminder: Autumn Trails, October 26, 27, 28. Sue Capps has all the pertinent information.

**Regards;
Gerald Phariss
