President's Memo

Thank You Club for the condolences and thoughts on my brothers passing. He was a good man and a good friend and I'm going to miss him a lot!

My brother was, I think, a little amazed and often surprised at my interest in old cars and other machines. He did get to the point of informing me about something of interest which he had seen or located. If the truth be told, he always wanted to take a ride in what I was working on.

Looking forward to fun in Eustace this coming Saturday. Hope to see you all there.

Max
