President's Memo

To all my cold weather Model A friends:
I hope everyone is well and warm. It was good to see everyone at the Silver Spur in Canton for lunch and fellowship. There were 10 of us there on a wet and cold day

I'm looking forward to another good year. I want to make this year even better by spending more time together. It is my hope that each of you will be able to attend every meeting

Please be thinking about where we can go for our next luncheon. Let's think of some new places and , hopefully, we can locate places that are in the area of each of our members

Our next meeting will be at the Dairy Queen at 3:00. Remember, this is a **NEW TIME**. Maybe we can drive our Model A's and get home before dark

See you February 3 at 3:00PM

SPECIAL ANNOUNCEMENT

This newsletter was created by Lou. Sorry its not up to the usual standards. Unfortunately Nancy has some very serious problems. She fell again and dislocated her shoulder. And then an MRI showed a brain tumor. She was being sent to a hospital in Tyler. I found out about it on Wednesday. No more info available.

MINUTES

Cedar Creek Model A Ford Club

January 6, 2026

Meeting started very late. Lou forgot it was meeting day and didn't arrive until

6:05. Herman lead everyone in the pledge of alliance. He then asked if we wanted to approve last months minutes. Fredye made a motion to accept them and Carolyn seconded it. The financial report was then given.

BIRTHDAYS: There were no members present who had birthdays this month.

NEW BUSINESS: Lynda made a suggestion that we change the meeting time to 3PM.

Everyone thought it was a great idea. And since Spencer will not be attending many meetings this year it was agreed that we have the next meeting at 3PM.

LUNCH: The Silver Spur Barbecue was chosen as our lunch place this month. The only day that worked for everyone was a Friday. So we will enjoy a meal at 1PM in Canton on Friday January 23th.

ADJOURNMENT: Carolyn made a motion to adjourn and Barbara seconded it.
